

PRESS RELEASE No. 10/2017

cargo-partner to Open New Logistics Center in Hamburg

On October 1, 2017, cargo-partner will open a new logistics center with 4,900 m² of storage space in the VGP Park in Hamburg.

International transport and info-logistics provider cargo-partner will open a new logistics center on a surface of 4,900 square meters in the VGP Park in Rade 20 km southwest of Hamburg, with an option to expand to 8,600 square meters, on October 1, 2017. The warehouse will provide more than 12,000 pallet spaces as well as 600 m² of small parts and single pick area and over 1,000 m² of block storage space. A comprehensive portfolio of value added services will be available at the new logistics center in Hamburg, including picking and packing, eCommerce fulfillment and other contract logistics services.

The VGP Park Hamburg is located at a strategically beneficial traffic hub on the A1 Autobahn from Hamburg to Bremen. The location provides cost benefits compared to the Port of Hamburg or the city center. All main transport connections are easily accessible: the A1 to Bremen, A7 to Hannover, A24 to Berlin as well as the A21 and A20 to Lübeck-Travemünde and Rostock.

cargo-partner in Germany

cargo-partner has five offices in Germany: in Munich, Frankfurt, Stuttgart, Düsseldorf and Hamburg. In 2016, the company generated a consolidated turnover of 43 million euro with 145 employees in Germany. In Hamburg, the transport and logistics provider specializes in the temperature-controlled transport of foodstuffs and pharmaceuticals and holds the IFS certification for foodstuffs as well as the GDP compliance certification for pharmaceutical products.

Expansion of global logistics capacities

cargo-partner is currently focusing on the development of its worldwide logistics capacities. In October 2016, the company opened a 3,700 m² customs bonded warehouse for an electronics manufacturer in Shanghai. In January, the transport and logistics provider put into operation a 14,000 m² logistics center for an automotive producer in Clarksville, USA.

On June 1, 2017, cargo-partner celebrated the beginning of construction of a sustainable iLogistics Center with an innovative all-timber structure at its corporate headquarters in Fischamend, Austria.

Vienna, June 13, 2017

About cargo-partner

cargo-partner is a privately owned, medium-sized, full-range info-logistics service provider with particular expertise in air and sea freight as well as information technology. As an integrated logistics partner, it develops comprehensive solutions which, thanks to an IT-supported transport chain and optimized management of sales and purchasing, create competitive benefits for its customers. The company was founded over 30 years ago and generated a turnover of 555 million euro with 2,588 employees in 2016.
